EXPLANATION OF PAYMENT OF DUES
(Until changed by a vote)

On May 8, 2002, the general membership of the North Shore Mothers of Multiples voted to increase the yearly dues to \$30.00 per member.

Dues are due as of the June banquet each year for membership fiscal year August 1 through July 31.

All members pay \$30.00 (or current rate) unless otherwise stated below.

The founder of NSMOM, Mrs. Barbara Bergman, shall be an Honorary Life Member and does not pay dues.

Any member that has been a member for more than 25 years pays \$15.00 (Voted 1/7/04).

Only new members joining for the first time, after January 1, pay half year dues (\$15.00 or half of current rate), which will cover the cost of dues to NSMOM through July 31, but will not be included in the National Organization for that fiscal year.

Prospective members will be included in all activities for approximately three months but will not get full benefits¹ until they pay dues.

Prospective members expecting twins do not pay until their babies are born and will be included in all activities.

Prior members pay \$30.00 (or current rate) no matter what time of year they join.

Same sex domestic partners, who both wish to become members, may pay a combined yearly membership of one full price membership and one half price membership, based on current rates.
